Extra-Curricular Clubs and House Events

Calling all Year 12's!

In January, Mrs Stocks and Miss Daniels are running **The Scholars Programme with the Brilliant Club** in school for 14 conscientious, hardworking Year 12 students with an excellent attitude for learning.

The Scholars Programme is an opportunity to work with a PhD tutor on a 6 week long course. You will have 2 trips either side of this to attend a high tier university for a tour and activities – your final trip includes a graduation ceremony for completing the Scholars Programme!

In your 6 weeks of sessions with your PhD tutor they will prepare you for a university style assessment which can go on your UCAS statement and some universities are offering adjusted offers for students who have completed the Scholar's Programme.

This is a highly competitive opportunity and we would like all students who wish to apply to complete a personal statement. This needs to be handed to Mrs Stocks or Miss Daniels by the **15th of November**.

There will be an assembly officially launching the Scholars Programme on the 7th November – but if you want to get a head start on your statement, you can start writing!

Extra-Curricular Clubs and House Events

Applying

Please write a personal statement, explaining the following:

- Your **motivation** for applying for a place on the programme
- Your **passion** for your favourite subject area
- Why you think you would benefit and how you will demonstrate your **commitment**

We suggest your statement should be around 500-600 words long.

Deadline
15th
November
