& SIXTH FORM CENTRE

Dear Parents and Carers,

Following my letter last week, I am now in a position to confirm the final details of how we will provide a suitable education for all students, with limited resources, due to the planned industrial action on Wednesday 1st February. Just to remind you, on Wednesday, the school will be **open to Years 11,12 and 13 students** and will be **closed to Year 9 and 10 students** who will be provided with remote learning. Our aim is to provide the highest quality provision for all students and, as such, the arrangements will be as follows:

I have managed to staff the school so that Year 11, 12 and 13 students will all follow their normal timetable. It is imperative that students attend on Wednesday, as missing even one lesson at this crucial stage of their education may be detrimental to their performance in their examinations. Year 11,12 and 13 students will be expected to arrive on time in impeccable uniform as is always the expectation.

- Year 9 and 10 will have access to high quality remote learning. This learning has been set in the form of tasks set for completion rather than live lessons due to the limited resources we have available on Wednesday. Students can access the work via THE HUB on Teams or via the PDF documents attached to this letter. There are options to complete the work online or on paper for students who do not have access to a computer or device.
- If Year 9 or 10 students are eligible for Free School Meals, then parents/carers will receive an Asda Voucher for £2.20 which is the daily allowance for a student. This will be emailed to you by our Finance Team.

If you have any questions, please not hesitate to contact us. Thank you for your ongoing support and partnership. I apologise for any disruption to you and to our students' education. I have tried to ensure that communication with you is as clear and timely as possible.

Yours sincerely,

Mr N J Ford
