

## Careers

### Year 11

Students should have applied for Trinity Sixth Form and interviews will take place in the New Year. If your child has changed their mind, then they can email myself and Mr Petit with their choices and with their reason why.

College applications need to be done online as soon as possible, so that interviews can happen in the New Year.

Students considering an apprenticeship should still have a back-up plan of Sixth Form or College. Most apprenticeships to start in September start to appear in the New Year but it is good to start browsing. [Findanapprenticeship.gov.uk](http://Findanapprenticeship.gov.uk)

### Year 10

All Year 10 students have started their CV's and letters of application ready for Work Experience -these need to be completed through their PSHE TEAMS channel or sent direct to me. [laxtonl@trinityhigh.net](mailto:laxtonl@trinityhigh.net)

### Year 12 and 13

Work Experience, Employment, Apprenticeship vacancies and summer schools are advertised continually on the student's Career channel on Teams.
