

**The weather outside  
is frightful  
but being in school  
is delightful**

As the weather turns colder,  
students are allowed, and encouraged to  
wear an appropriate warm coat to school.

This must be worn over their blazer.  
Students may wear coats in corridors but  
must be removed prior to entering  
classrooms.

Hoodies are not permitted at all, if found  
wearing a hoodie it will be confiscated until  
the end of the day!
