Dear Year 11

Re: COVID-19

It is with a great deal of sadness that I write to you today as your Headteacher.

As you will know by now, the Government has decided to close all schools from tomorrow. They have also decided that all summer GCSE and KS4 exams will now not take place.

For many of you this will come as a huge shock. We know how hard many of you have been working towards your summer exams and you will be rightly concerned about what lies ahead. Like you, our immediate hope is that everyone in the school community stays healthy and we can meet up again soon.

For all Year 11, **today will be your last day in school**. We are very sorry to see you go, particularly in these circumstances but please remember that **every teacher at Trinity is very proud of each and every one of you**.

We will be writing to you all once the Government has decided what to do about grades for your future and **we will be inviting you into school to celebrate your success once the Government tells us it is safe to do so later in the summer**. This will be your chance to say proper goodbyes to friends and teachers.

I will also be looking forward to seeing many of you return to us in Year 12 to join our Sixth Form, and to those who don't return to us, I wish you every success at college and your places of work.

In the meantime please follow the Government advice, keep washing those hands, self-isolate if you need to, stay healthy and be kind to those around you in the difficult weeks ahead!

Yours sincerely

Adrian Ward
