Dear Parent/Carer

We are currently in the process of looking into offering our students the chance to participate in a Sports Tour to Greece, in July 2021.

The tour package we are currently looking at would be a 5 day/4 night trip to Greece, staying in a sports complex just outside of Athens. The price of the tour would include flights, all meals and use of the onsite facilities throughout the stay. Facilities include; football pitches, netball courts, swimming pools and tennis courts. Students, dependent upon in which team they are in, will be playing either netball or football fixtures throughout week against local teams. Excursions are also included in the trip; a day at Heraion Lake including lunch and an Athens City tour to include: Acropolis, Panathenaic Stadium and Plaka.

Overall cost of the tour will be dependent on confirmed dates for the trip and the number of students we take, however, we estimate that this will be £700-£800.

I am asking at this stage for your children to **declare their interest** by **returning the below form**. Please note the trip will only be able to run based on interest from a required number of students.

Yours sincerely
